

**Der Grüne Punkt –**  
Duales System Deutschland GmbH

# Climate Certification

for the company

**Lechler SPA**

Via Cecilio, 17  
Como

with customer no. 4772309

Through participation in our Dual System you have made a sustainable contribution to the reduction of greenhouse gases.

The take-back and recycling of the packaging that you licensed with us in the year 2009 has helped to prevent the emission of

**26 tons** of CO<sub>2</sub> equivalents.

This corresponds approximately with the amount of CO<sub>2</sub> that 12 compact size vehicles emit while covering 15.000 kilometers per year.
